Position Announcement: GIS Instructional Laboratory Administrator, The University of Iowa, Department of Geography, Iowa City , IA

The Department of Geography at the University of Iowa invites applications for the position of Systems Administration & Systems Programming—Level II. This individual will be responsible for the daily administration of the department's geographic information science teaching laboratory, faculty and administrative computers, and a graduate-level research computer laboratory. The successful candidate will be well versed in ESRI and Erdas Imagine software and computer administration including but necessarily limited to Windows XP and Vista operating systems, network management, computer security management, and account management. Applications should be submitted online at http://jobs.uiowa.edu/ (requisition # 56353, see also http://www.uiowa.edu/~geog/GISILadmin.shtml). Attachments to the application should include a letter of application, a resume, and contact information for three letters of reference. Screening of applications will begin December 20th, 2008 and continue until the position is filled. Questions regarding this position can be directed to Dr. Bennett at david-bennett@uiowa.edu or 319 335-0158. The Department and the College of Liberal Arts and Sciences are strongly committed to gender and ethnic diversity; the strategic plans of the University, College and Department reflect this commitment.
