

# Call for Papers

We are pleased to invite you to submit **1500 word extended abstracts** for the 25<sup>th</sup> Annual GIS Research UK conference, which will be held at **The University of Manchester** on **18<sup>th</sup> - 21<sup>st</sup> April 2017**.

We welcome papers covering all aspects of theoretical and applied geographical information science, including (but not limited to) the following themes:

- Urban GIS
- Environmental GIS
- Open-Source GIS
- Web GIS
- Qualitative GIS
- Participatory GIS
- Remote Sensing and Photogrammetry
- Cartography and Map Design
- Geovisualisation
- Geospatial Big Data
- Location-Based Services
- Location-Based Games

The closing date for submissions is **4<sup>th</sup> December 2016** using the templates accessible via the conference website. All papers will be subject to peer review and allocated to oral and poster sessions accordingly.

Conference proceedings including all papers accepted for oral and poster presentations will be made available online. In addition to this, a selection of the best papers (as judged by the editorial board) will be invited to submit a full-length paper for publication in a special edition of the **Journal of Spatial Information Science**.

In celebration of the 25<sup>th</sup> conference in the series, we are looking forward to receiving a submissions and welcoming a diverse group of researchers to Manchester in April.

For more information please visit **<http://manchester.gisruk.org>**.
