

YANCEY'S COLLEGE FIELD DAY

Atlanta Motor Speedway
October 28, 2005

Yancey Bros. Co. "The Nations Oldest Caterpillar Dealer" will be sponsoring a **College Field Day** and a chance to win a free ticket for NASCAR Nextel Cup qualifying at Atlanta Motor Speedway on October 28th, 2005. To be eligible you must complete the information on the reverse side of this announcement and return it to your instructor by Friday, October 7, 2005.

Box lunches, an autograph session with NASCAR drivers and a ticket to the qualifying day events at AMS will be provided to you free of charge.

During the Yancey College Field Day event you will attend a presentation about technical programs available in the Heavy Equipment and Diesel industry. Representatives from several Georgia colleges that provide Heavy Equipment & Diesel Technology programs for Yancey will be on hand to answer questions and speak with you about their curriculum. The colleges that have committed so far include South Georgia Technical College (Americus), Gwinnett Technical College (Lawrenceville), West Central Technical College (Carrollton) and Altamaha Technical College (Baxley).

Yancey Bros. Co. is the leading dealer of construction & earthmoving equipment and over-the-road diesel engines in Georgia. We have service facilities located across the entire state and are currently recruiting students for enrollment in col-

legiate-level Heavy Equipment & Diesel Technology programs. Successful graduates will have the opportunity to work for Yancey Bros. Co. as Heavy Equipment Technicians, Compact Construction Equipment Technicians, Diesel Truck Engine Technicians and Agricultural Equipment Technicians.

Ask your instructor for more information, or join us at Atlanta Motor Speedway on October 28 for a full introduction.
