

Market Goat Minutes

Below is a summary of the recommendations and other points of discussion from the Thursday meeting of the Market Goat Ad Hoc Committee meeting at the FVSU/ATCC.

- Rules and Regulations Page 12 –
 - Rule #3 should read “ office of Ronnie Silcox by August 1, 2010.”
 - Rule #6 should read “..... Goats must weigh a minimum of 40 pounds.....”
 - Rule #16 should substitute the word Grand for the existing word “Supreme” in all places where it is used.
- A note was made that start time for the Market Goat Showmanship should not be before 2pm even if the Market Lamb Show finishes early. This will assist in exhibitors planning their schedule in connection with other shows that may be going on.
- Recommended judges (contact details sent in separate message) include:
 - Mr. Jason Brashear (TN)
 - Dr. Brian Faris (KS)
- Consideration be given to starting a Breeding Doe show to be held at the Spring (February) Livestock Show. Committee recognizes organizational needs to include:
 - Finances for premiums and judge. With appropriate choice of judge, may be able to share judge expense with Breeding Ewe show.
 - Availability of pens given hog and sheep shows are using most existing pens.
 - Availability of penning space.
 - Scheduling to be coordinated with other species schedules. Time line.
