AMERICA'S FARMERS MOM OF THE YEAR

BEHIND EVERY AMERICAN FARM FAMILY
IS THE BACKBONE OF THE OPERATION:

The American Farm Mom.

Monsanto is giving you the opportunity to honor her contributions with the America's Farmers Mom of the Year 2011 Contest.

Go to AmericasFarmers.com after March 3, 2011, and nominate any amazing farm mom! Just tell us in 300 words or less how she embodies the caring, values and hard work that make up the family farm way of life.

There will be five regional winners of **\$5,000** each. All five will be posted on AmericasFarmers.com, where voting will determine one national winner of an additional **\$2,500**.

Apply and see rules and eligibility at AmericasFarmers.com.
Nominations end May 8, 2011.

NO PURCHASE NECESSARY. To be eligible, a mom must be at least 18 years of age and live on a farm that produces at least 250 acres of corn, soybeans, cotton, vegetables and/or specialty crops (canola, sorghum, wheat or alfalfa); and/or at least 40 acres of fruits and vegetables; and/or raise at least 100 head of cattle or hogs; and/or maintain at least 50 head of dairy cows and/or at least 20,000 poultry (broilers or layers) within the United States.
