RE: UGA Tour of Technology

Congratulations on your upcoming interview for the Governor's Honors Program!

The University of Georgia College of Agricultural and Environmental Sciences and the Warnell School of Forestry and Natural Resources would like to invite you to visit our Athens Campus on Friday, February 10th for the annual "Tour of Technology". Registration will begin at 8:30 a.m. in the Rooker Fireside Lounge in the East Campus Village. We have designed this program to give you a personal tour of Georgia's flagship university and experience first-hand the exciting research and academic programs taking place.

We will provide you the opportunity to learn more about agriscience, biotechnology and environmental science prior to your important Governor's Honors Program interview on Saturday. Friday's activities will also allow you an opportunity to visit with faculty, staff and students about academic programs, scholarships, internships, and student life, as well as study abroad and admissions information.

RSVP must be made online before February 6th at <http://www.caes.uga.edu/students/highschool/technology.cfm>. Lunch and dinner will be provided.

Again, congratulations on this nomination which recognizes you for your outstanding academic success. Contact Brice Nelson (bricen@uga.edu or 706-542-1611) if you have any questions or need additional information.

We look forward to having you visit campus.
