

March 8, 1978

M E M O R A N D U M

TO: Teachers of Agriculture in District I
FROM: Elvin Walker, Assistant State Supervisor, Vocational Agriculture
REF: Forestry Field Day

Don Register, Area Forester, has completed the arrangements necessary for scheduling Forestry Field Days. Attached you will find a form that must be completed and returned to this office NOT LATER THAN MARCH 16, 1978, if you plan for your chapter to participate.

I want to emphasize the importance of ALL chapters participating and being well-prepared for the different events. Registration will begin at 2:00 p.m., with events beginning promptly at 2:30 p.m.

A team consists of an advisor and eleven students (boys and/or girls) enrolled in the 10th, 11th, and 12th grades. Each event requires only one student, except tree planting, which requires two contestants. A contestant may enter only one event. There will be a time limit of 45 minutes for each event. To speed registration, please have your team listed and assigned to events before arriving at the field day. Make sure all participants are FFA members. They will be checked.

DETACH AND RETURN NOT LATER THAN MARCH 16, 1978

_____ I will attend the forestry field day and bring _____
students. (11 students allowed)

_____ I will not attend the field day - My reason is _____

Teacher _____

School _____
