

2014 GEORGIA FFA DISCUSSION MEET

– MAY 2, 2014 –

Sponsored by

Georgia Farm Bureau
Young Farmer Committee

– DISCUSSION MEET TOPICS –

1. How should Farm Bureau engage farmer/rancher members, representing all types and kinds of operations (i.e. conventional, organic, large, small and niche markets), to work together to better promote a more positive image of agriculture?
2. What are the best practices for youth working on farms and ranches to ensure their safety and provide them learning opportunities in the area of agriculture production?
3. US agriculture is one of the major industries for the American economy. What can farmers do to stimulate more economic growth?
4. How can Young Farmers & Ranchers work with elected and appointed officials to eliminate unnecessary or excessive regulations placed upon agriculture while ensuring that new regulations are justified based on their costs and anticipated benefits?
