COMMISSION

Georgia Arbor Day Webcast

February 20, 2014, 10:00 a.m. - 11:15 a.m.

On Thursday, February 20, 2014, the Georgia Forestry Commission will host a live virtual Arbor Day celebration for all Georgia schools. All age groups are invited to participate, but those in grades 4-12 might find it more relevant. This first-of-its kind event will have students learning, laughing and loving the natural resources around them like never before! You don't want to miss it - several special guests are scheduled to appear during the webcast, including GFC Director Robert Farris and our featured entertainer, Tim Wommick. It's free to join in the fun, but we do need a headcount to make sure we have the proper technology in place to accommodate everyone. Please complete the form below and email to wburnett@gfc.state.ga.us or fax to (478) 751-3559. We look forward to "seeing" you on February 20!
