About the Georgia Baptist Children's Homes and Your Donations

Today, the Georgia Baptist Children's Homes are seeing children who come from more traumatic situations and have a much higher need for care. Poverty, grandparents raising grandchildren, substance abuse in the home, human trafficking, extreme abuse, and more complex behavioral issues have created a need for more intense care and therapy for children. These children come from impossible situations. More than 1,000 children come through the Georgia Baptist Children's Homes annually. Each child will receive their own, new twin sheet set and new personal care items. Georgia junior livestock exhibitors . . . Let's rally together to help these children!

START COLLECTING YOUR ITEMS NOW TO TURN IN ON THURSDAY, FEBRUARY 19, 2015 DURING THE GEORGIA NATIONAL JUNIOR LIVESTOCK SHOW. COLLECTION WILL TAKE PLACE DURING THE GJLF MEET-AND-GREET.
Different point values will be assigned for towels and bath clothes, twin sheet sets, and travel size items.
