POW Yes/No	Legend	Item	POW Professional accomplishments/requirements Fill in the POW and click the SAVE button. This does NOT have to be done all at once.	EVAL Select the Yes/No button in red ONLY after the item is complete
No		1	The teacher holds a valid teaching certificate in agricultural education or a provisional certificate in agriculture education.	No
No		2	The Teacher does not have any after school duties and responsibilities that would conflict with the FFA and SAE activities. *The Agricultural Education Program has three components. The classroom, FFA, and SAE combine to make the complete and balanced program. Students must be trained for Career Development Events and supervised at these activities. The students must have an SAE that requires home and worksite visits by the Agriculture Teacher. These activities occur throughout the school year and during the summer. As a result, the Agricultural Education Teacher should not have any after school duties and responsibilities that would conflict with the FFA and SAE activities for which they receive extended day and extended year. This would include athletic events.	No
No		3	The teacher will comply with the Agricultural Education Teachers Creed.	No
No		4	The teacher will be actively involved in the professional teacher organization, Georgia Vocational Agricultural Teachers Association (GVATA), which is dedicated specifically to agricultural educators in the state.	No
No		5	The teacher will attend all area meetings for agricultural education teachers (summer, fall, winter, spring) or the approved make-up activity with prior written approval of the Regional Coordinator.	No
No		6	The teacher will attend the Summer Leadership Staff Development Conference.	No

No	7	The teacher will attend the Mid-Winter Staff Development Conference.	No
No	8	The teacher will conduct at least two advisory committee meetings, one of which may be an informal meeting. Membership of the advisory committee will include agricultural industry and community leaders (minimum of seven). The teacher will keep proper advisory committee minutes.	No
		8A Proposed advisory committee meeting location/dates.	
		8B List Advisory Committee Members. Name/Title/Occupation (Minimum of Seven).	
No	9	The teacher will complete and submit detailed timely monthly reports within 10 days of the end of each month. (20 contacts minimum)	No
No	10	The teacher will attend a minimum of one Professional Learning activity conducted by the Agricultural Education Staff (minimum of 10 contact hours) in which the teacher registered for the PLU through the CTAERN. The Summer Leadership Conference and Mid-Winter Leadership Conference do not satisfy this requirement.	No
No	11	The teacher will submit a fall and spring class schedule with unique student enrollment to the Region Office by the due date on the state calendar.	No
No	12	The teacher will develop practical lesson plans and file plans for each course taught.	No
No	13	All agriculture courses taught will be listed on the Agricultural Education Courses list approved by the Georgia Department of Education.	No
No	14	The teacher will teach no more than 1 out-of-field segment per grading period.	No
No	15	The teacher will develop a course calendar and syllabus for each course	No
No	16	Each course taught will include a minimum of one unit on leadership and personal development	No
No	17	The teacher will maintain all facilities in a safe, neat, and aesthetically pleasing condition.	No
No	18	The teacher will insure that a minimum of 60 percent of students have in place an approved Supervised Agriculture Experience Program	No
No	19	The teacher will provide project supervision for each student with an approved Supervised Agricultural Experience Program.	No
No	20	The teacher will provide students with an SAEP record book appropriate for their Supervised Agricultural Experience Program.	No
No	21	The teacher will provide students with systematic instruction on record keeping.	No
No	22	The teacher will submit at least one proficiency application for regional consideration by the due date on the state calendar.	No
No	23	The teacher and current fiscal year officers will submit a FFA Program of Activities and Budget to the Region Office by the due date on the state calendar.	No
No	24	The chapter officers will participate in the Chapter Officer Leadership Training Workshop held at the State FFA Camp or conducted at a chapter officer leadership planning retreat.	No
