

## 2015 Agriculture Week Poster Contest

A partnership between the Georgia Department of Education, the Georgia Department of Agriculture & Georgia Grown in celebration of the Governor's Agriculture Day and National Agriculture Week.

### Eligibility

- Any Georgia public school student enrolled in grades 6-12 for the 2014-15 school year is eligible to participate.
- Each school is eligible to submit their top three posters to the Georgia Department of Education for state recognition.

### Poster Guidelines

- All posters should focus on the 2015 theme, "Agriculture in my county & state: What does agriculture do for me?"
- To be considered, posters should measure 18 inches tall and 24 inches wide. Posters larger or smaller than 18" x 24" may be disqualified.
- Posters must be the original artwork and design of the student submitting the entry. Photographs, images and/or artwork copyrighted by other individuals, whether from publications or from the Internet, are not acceptable and may be disqualified.
- Posters should be the effort of an individual student. Group/team entries will not be accepted.
- Posters may be created using marker, crayon, paint pens, watercolor, ink, acrylic, colored pencil and/or tempera paint. Computer- or photo-generated art or printing will not be accepted. Collages are not acceptable. Please do not glue anything on the entry.
- Posters may be mounted on foam or poster board, but should not be laminated or folded.
- Posters should be mailed as flat documents. Please do not roll posters.
- The student who creates the poster should clearly list his or her name, grade, and school on the back of the poster.

### Timeline

- Posters should be created in correspondence with the Governor's Agriculture Day celebration on March 10, 2015, and the national Agriculture Week celebration on March 15-21.
- The top three posters from each school are due to the Georgia Department of Education no later than Friday, April 3. *Posters must be received at the Georgia Department of Education by the April 3 deadline*
- State winners will be announced via press release by April 17, 2015.

Mail entries to:

Georgia Department of Education  
Agricultural Education Program  
1752 Twin Towers East  
Atlanta, Georgia 30334
