

Georgia FFA Association

FLORAL DESIGN - SENIOR CDE

I. OVERVIEW

Senior Floral Design Career Development Event will test students' knowledge in floral plant identification and their skill in completing a specific floral design and will evaluate their knowledge of the floral industry.

II. PURPOSE

To stimulate career interest, encourage proficiency development, and recognize excellence in students of floral design through the agriculture education curriculum.

III. ELIGIBILITY

This event is open to students in grades 9-12 who are agricultural education students and are paid members of a chartered FFA chapter. Each student's name must appear on the chapter's FFA roster at least 10 days prior to competition above the chapter level.

IV. SPECIAL NEEDS REQUEST

To report any special needs or request special services for a student to compete in a Career Development Event or FFA Award area (Area or State level), it is the responsibility of the FFA advisor to provide a detailed and specific request and explanation in writing. Requests should include written documentation from the school system verifying the IEP and need being requested. Written requests must be submitted to the CDE Superintendent prior to registering for the CDE/event (at least 3 weeks prior to the date of competition).

V. RULES

1. Chapters are limited to one contestant.
2. Each contestant will bring to the contest a pencil, clipboard, calculator, bucket and their own set of floral design tools. All materials for the designs will be furnished at the event. The calculator **MAY ONLY** have these functions: addition, subtraction, multiplication, division, equals, percent, square root, +/- key and one memory register. No graphing or programmable calculators will be allowed.
3. Swapping or sharing tools (calculators, scissors, wire cutters, etc.) with other participants will only be permitted at the discretion/permission of the CDE Superintendent.
4. A minimum supply fee will be charged for consumable supplies. The contestant will be able to take home design and materials after judging at the conclusion of the event.
5. It is highly recommended that participants be in FFA official dress.
6. This event will follow the general procedures established for all Georgia FFA career development events.
7. The State FFA Executive Committee and their appointees will be in charge of this event.
8. The top two individuals from each area will advance to state competition.

VI. EVENT FORMAT

Contestants will receive a scenario at both the Area and State CDEs. All designs should link with the scenario given. The career development event will be conducted in THREE PHASES:

Floral Design: Area CDE contestants will be asked to make one floral design arrangement announced at the start of the event. Only materials provided to the participant from the FLORAL DESIGN HARD GOOD AND MATERIALS and FLORAL DESIGN FRESH PRODUCT (FOLIAGE AND FLOWER LIST) that are provided to the contestants can be used in the arrangement.

Georgia FFA Association

FLORAL DESIGN - SENIOR CDE

The contestant will have **30 minutes** to complete the arrangement. Possible arrangements could include bridal or attendant bouquets (hand tied, nosegay or presentation bouquets), body/personal flowers, or water based or wet floral foam designs. These designs should also link to the scenarios given.

State CDE contestants will be asked to design two of the above arrangements given **30 minutes for each design**. Only materials provided to the participant from the FLORAL DESIGN HARD GOOD AND MATERIALS and FLORAL DESIGN FRESH PRODUCT (FOLIAGE AND FLOWER LIST) can be used in the designs.

Identification of Floral Plant Materials and Tools: Twenty-five items from the FLORAL DESIGN HARD GOOD AND MATERIALS and/or FLORAL DESIGN FRESH PRODUCT (FOLIAGE AND FLOWER LIST) list will be displayed for contestants to identify. One point will be awarded for each correct answer. Participants have **25 minutes** to complete this phase of this event.

Written Exam: A twenty-five item multiple choice written exam will be administered to each participant. One point will be awarded for each correct answer. See the study guide provided for exam content. Participants have **25 minutes** to complete this phase of the event.
