

February 2, 2017

Dear FFA Advisors and 4-H Agents:

Enclosed is a flyer announcing a t-shirt design contest for the Georgia Dairy Youth Foundation. We ask that you encourage participation among your students and inform them of this contest. GDYF is looking for a fun and creative t-shirt design to feature on shirts during the fall of 2017 and spring of 2018 to Dairy Show participants. T-shirts must promote milk and/or milk products and are limited to the back panel of the shirt design. Please encourage original designs as designs in some years have been similar. GDYF will award \$100 to the student with the winning t-shirt design and \$50 to the 4-H Club or FFA Chapter with the most design entries. Please include your name, address, phone number, email and local chapter or county information with your design.

The deadline for the contest is February 25, 2017 at the GA State Commercial Dairy Heifer show in Perry. You can turn in your entry to your local advisor then send to our office by e-mail, fax or mail. GDYF is holding this contest to increase awareness of the Georgia dairy industry among Georgia's dairy youth. Please feel free to contact us at 706-310-0020 or rsmith@uga.edu with any questions you may have about the contest and thank you for your support.

Sincerely,

A handwritten signature in cursive script that reads "Bobby Smith".
