State FFA Convention
Ambassador Program

Purpose

The purpose of the ambassador program is to provide a leadership program to Georgia FFA members which will allow opportunities during State FFA Convention to interact and connect with FFA supporters, donors and potential sponsors. The program, in turn, gives industry representatives and donors the opportunity to interact with FFA members and to learn more about the FFA program and its mission.

Being Selected as an Ambassador

Prospective ambassadors must complete an application by March 17, 2017. Each chapter may submit up to three ambassador applications. Applications will be judged and ambassadors will be announced by April 1, 2017. Judging will be based on FFA activities, advisor's recommendation and the student's Supervised Agricultural Experience (SAE).

Expectations of an Ambassador

Ambassadors must attend the mandatory training on Wednesday, April 26th. Further details will be provided to selected ambassadors.

The training will include:

- Overview of the Foundation (its purpose, mission, goals, activities, etc.)
- Overview of the Ambassador Program
- How to Interact with Business & Industry Representatives and Donors
- Role of the Ambassadors while at the Convention
- Specific Assignments for each Ambassador

Ambassadors will be served a meal after the training and stay over night.

FFA members selected for the program must feel comfortable and confident greeting guests, sharing their own FFA story, and having their assigned guests where they should be at all times. This will require prior planning and preparation by each ambassador. Therefore, ambassadors will be required to know the following information:

- Convention Schedule
- Convention Center Layout
- Guest Registration Process
- Award Program Sponsors
- Their Assigned Business & Industry Representatives, Judges and Donors

*Please Note

We want students, parents and agriculture teachers to be well aware of the commitment being made when applying to be a Foundation ambassador. If chosen for the program, students should expect to be involved in ambassador activities throughout the entire FFA Convention. **If a FFA member is competing in a state CDE at convention or running for state office, this program is not ideal for the student to participate in.** This commitment begins with training on Wednesday, April 26, 2017. Hours may be unpredictable as we work with special guests who may show up unannounced, or assist with additional guests joining current sponsors -- ambassadors will need to be on high alert at all times. It is encouraged for potential ambassadors to sit down and discuss this opportunity with their agriculture teacher BEFORE applying. Teachers must be willing to support your time commitment to the program as well as bring you and pick you up on time. Travel to and from the convention center is the responsibility of the ambassador.
