MEMORANDUM

TO: Middle School Agricultural Education Teachers
FROM: Andy Paul, Leadership Program Specialist
DATE: November 6, 2019
SUBJECT: Discovery Conference- GOLD Session 2020

The Discovery Conference is a wonderful opportunity for middle school FFA members. It is a great way to get young members excited about the FFA and introduce students to the opportunities that FFA has to offer.

The 2019-2020 Discovery Conference will have two date options AND two location options.

Blue Session: September 27-28, 2019 at Camp John Hope in Fort Valley, GA

Gold Session: January 24-25, 2020 at the Georgia FFA-FCCLA Center, Covington, GA.

The following information is directly related to the second Discovery Conference installation in January 2020.

Students should plan to wear casual dress for the entire conference. Conference registration is from 2:30-4:45 p.m. on Friday, January 24, 2020 for Session GOLD. The conference will conclude at noon on Saturday, January 25, 2020. Lunch for Saturday is not built in to the conference registration cost, but you may add lunch when completing your conference pre-registration. Lunch will be \$7.00 per person. Lunch will not be provided on Friday.

The cost to attend the 2019-2020 Discovery Conference is \$50 per person (student and advisor). That fee includes all conference materials, a t-shirt, an Official FFA Manual, two meals and lodging at the Georgia FFA-FCCLA Center. Each student attending the conference must have a completed Parental Consent Form and should receive a copy of the Camp Policies. **WE WILL PLAN TO USE THE ONLINE PARENTAL CONSENT FORM FROM SLC THIS SUMMER**

Every person attending the Discovery Conference must be pre-registered. Registration and payment for the conference needs to be completed and postmarked by **WEDNESDAY, JANUARY 8, 2020**. You will complete the online registration through the link provided in the corresponding e-mail and mail a printed copy of your invoice along with **full payment** to the Georgia FFA Association. No faxed or emailed registration information will be accepted. Registration is only complete upon the receipt of payment. **Any registration and payment postmarked after January 17 (including money that is paid onsite) will be charged a \$10 per person late fee or may not be accepted.** The GOLD Session of Discovery Conference will be capped at 350 students.

Please be aware of these conference policies:

- **Full payment** for each student registered must be postmarked by January 8, 2020
- **No refunds will be issued.** Please keep this policy in mind as you request checks for the final payment due at registration. If a student cancels, that student can be replaced with a different student at any time. Any student deletions to your registration AFTER January 8 will still be charged the full conference amount. You may substitute students (**same gender**) up until the conference.

- There will be no lodging/meals cost for non-advisor chaperones. Chapters are encouraged to bring an advisor or chaperone for each gender and have a ratio of one adult per 10 students. As always, there is no cost for bus drivers. T-shirts for bus drivers and chaperones are \$10 each.

An **FFA Quiz activity** will be conducted at the conference. All students will individually complete a written quiz. The top ten students based on written quiz scores will participate in an oral quiz to determine the winner. The winner will have the choice to receive a free FFA jacket or a \$50 Summer Leadership Camp Scholarship. The quiz will take place during registration time on Friday, January 24 and is open to any and all registered students.

Again this year, One Less Thing has graciously agreed to set up a few ID practicums for students to explore CDE opportunities available in the FFA. The ID events are optional for chapters to participate in and will be set-up from 2:00 until 4:45 p.m. on Friday. More information about these events will be sent to teachers who register for the conference.

I have attached a classroom flyer for promotional needs.

If you have any questions about the Discovery Conference, please don't hesitate to contact me at the office (706) 552-4457. I look forward to seeing you and your students at the conference!
