

# 2020 Georgia FFA Discussion Meet Questions

Wednesday, April 22, 2020 at the 92<sup>nd</sup> Georgia FFA  
Convention

1. How can Farm Bureau build upon collaborative relationships such as Farm Town Strong to combat nationwide crises such as opioid dependence/addiction and mental health issues?
2. Products like cell-based food products have demonstrated the food system is rapidly changing. How can future food technologies and related products be beneficially integrated into modern agricultural production without hampering the success of traditional products and the farmers and ranchers who grow them?
3. With abundant productivity, farmers are in need of new markets, including outside traditional food and feed channels. How do we develop, invest and commercialize to innovate new uses of agricultural products and by-products to benefit all of agriculture?
4. The 21st-century agricultural economy is threatened by labor shortages. Without a clear solution for accessing foreign guest workers as a component of immigration reform coming from Congress, what are some creative and legal ways for agriculture to address the labor needs of a modern production system?
