MAKE THIS SUMMER THE BEST ONE YET!

COME JOIN US AS WE:

Serve OTHERS

In one word Summer Staff serve. Staff serve both our campers and groups that rent our facilities. This could look like anything from refereeing softball games and performing in skits to cleaning cabins and serving in the dining hall. We do whatever is needed to ensure a clean, safe environment full of fun for our campers.

Change LIVES

We strive to change the lives of our campers one meaningful interaction at a time. During each week of camp, staff members are assigned to a group of 20+ students to invest their time in. Our goal is to show these students that we care.

Grow TOGETHER

Our internship program is designed to help our staff grow both personally and professionally. Come join our team and improve on soft skills like time management, problem-solving, work ethic, teamwork, and the list goes on.
